

Community and Living Well Together

Behaviour at ACE – Forgiveness and Reconciliation

Our school Vision Statement and Values form the basis of all policies, including the school's Behaviour Policy. We use the model of restorative justice and encourage empathy and respect alongside forgiveness and reconciliation. All adults within our school model positive behaviours and language for the benefit of our children. Behaviour at ACE is excellent with children being able to make mistakes in a safe environment and being encouraged to think about forgiveness.

Mental Health

At ACE we actively seek to promote positive mental health and wellbeing amongst all members of the school community. We operate an open-door policy and staff regularly work alongside parents to support them and their children in all areas of life.

ACE is a very inclusive school with all member of the school community being supported and included whenever possible.
