3. Barriers to future attainment (for pupils eligible for PP, including high ability)

In-school barriers

A.	Some PP children have poor reading ability and therefore require access to appropriate reading material
B.	Issues with fine motor skills and opportunities for completing extended writing tasks
C.	Recalling their times tables and other related calculations

External barriers

D.	To ensure vulnerable children receive targeted pastoral support in order to develop positive learning behaviours that will impact on progress, attainment and personal well-being.
E.	Improve the attendance of PP children to 96%.

4. Desired outcomes

Introduction from evaluation 2017/18

The ACE 360 illustrated that further work is needed to ensure best practice is used to enhance learning and the children’s educational experiences. It was clear that the best performers in the school were those children who received “Quality First Teaching” (QFT). This is in line with Sutton Trust and other research.

Therefore in 2018/19 as a school we are going to further develop the mindsets of all those involved, creating a positive climate for learning and ensuring that quality first teaching is at the heart of what we do with the children. Putting the emphasis on the adults who see the children day to day.

“The best thing about being a teacher is that it matters. The hardest thing about being a teacher is that it matters every day.” Todd Whitaker

	<i>Desired outcomes and how they will be measured</i>	<i>Success criteria</i>
A.	To accelerate the progress of PP children (at least 6 steps on Target Tracker) in reading across all year groups to close the attainment gap with their non-PP peers. (see Data Review 2018)	All PP children make at least 6 steps progress on Target Tracker for reading. Data outcomes show that PP children in all year groups attain in line with their peers and that they meet, or exceed, their prior attainment targets. (See Data Review 2018)
B.	To accelerate the progress of PP children (at least 6 steps on Target Tracker) in writing across all year groups to close the attainment gap with their non-PP peers.	All PP children make at least 6 steps progress on Target Tracker for writing. Data outcomes show that PP children in all year groups attain in line with their peers and that they meet, or exceed, their prior attainment targets. (See Data Review 2018)
C.	To accelerate the progress of PP children (at least 6 steps on Target Tracker) in maths across all year groups to close the attainment gap with their non-PP peers.	All PP children make at least 6 steps progress on Target Tracker for maths. Data outcomes show that PP children in all year

		groups attain in line with their peers and that they meet, or exceed, their prior attainment targets. (See Data Review 2018)
D.	To ensure vulnerable children receive targeted pastoral support in order to develop positive learning behaviours that will impact on progress, attainment and personal well-being.	PP children are engaged in their learning and demonstrating positive learning behaviours as seen in ACE 360 including lesson observations, book scrutiny, pupil voice, home/school discussions and staff feedback. PP children in Y6 engaged in a range of extra-curricular activities. School, home and any outside agencies working cooperatively to support individual children.
E.	Improve the attendance on PP children to 96%	Reduce the number of persistent absentees among pupils eligible for PP. EWO involvement will not be needed. Attendance for the children is in line with national and school at 96%.

5. Planned expenditure					
Academic year		2018/19			
The headings below enable schools to demonstrate how they are using the pupil premium to improve classroom pedagogy, provide targeted support and support whole school strategies.					
Quality of teaching for all and Targeted Support for PP children					
Desired outcome	Chosen action / approach	What is the evidence and rationale for this choice?	How will you ensure it is implemented well?	Staff lead	When will you review implementation?
	<p>Key – Red – Not yet Amber – be developed and Green – on-going and developed</p>				
To accelerate the progress of PP children (at least 6 steps on Target Tracker) in reading across all year groups to close the attainment gap with their non-PP peers.	<ul style="list-style-type: none"> All staff know which children are PP within their class and always hear them read first. Use of same day intervention time, e.g. assemblies, worship and PP interventions, to target PP children. Ensure PP have additional 1:1 from volunteer time for reading across the week if not consistently reading at home. Deputy and Assistant heads to monitor QFT for PP through lesson observations, book scrutiny, pupil voice etc. (ACE 360) Deputy head to monitor progress and attainment of PP children, especially Y6, and those children 2c/2b prior attainment in KS2. Afternoon interventions to target those PP children who are making slow progress as identified through monitoring and tracking systems linked to performance management. (All staff to have PP children as a target – see Appraisal 2018/19) Delivery of Read Write Inc Phonics – 1:1 to target individual children when appropriate in KS 1 and lower KS 2. Lexia to be continued to be purchased using PP funding . Ensure a rolling programme starting in target year groups – 3, 4 and 5. 	<p>2017 – 18 data shows that there is a PP/ non-PP attainment gap in reading across all year groups in school.</p> <p>The attainment of the current Y6 PP children at the end of last academic year was below their non-PP peers.</p> <p>2017 – 18: The reading progress of PP children in KS2 is slower than their non-PP peers.</p> <p>Need to create a reading culture amongst KS2 PP children whilst providing opportunities to read for pleasure and to read for a purpose using such as resource as the ACE library, Accelerated Reader and Lexia.</p>		Class teachers	<p>Jan 2019 - Currently progress for all PP children is good with the exceptions of Year 3 and Year R.</p> <p>The school has proactively engaged in a volunteer organisation and use of additional adults from the local church to support children. Same day interventions are developing and further work is being developed to support those children with their phonics.</p> <p>June 2019 Strategies were in placed and have helped prepare for the SATS etc.</p>

	<ul style="list-style-type: none"> • Development of reading areas in KS1. • Explore use of volunteer readers across school with targeted children. • CPD for support staff on reading in 2019.
