4. Desired outcomes

Introduction from evaluation 2018/19

The ACE 360 illustrated that further work is needed to ensure best practice is used to enhance learning and the children’s educational experiences. It was clear that the best performers in the school were those children who received “Quality First Teaching” (QFT). This is in line with Sutton Trust and other research BUT further research now needs to happen to look at the EEF June 2019 research.

Therefore in 2019/20 as a school we are going to invest in a **Pupil Premium Champion** and further develop the mindsets of all those involved, creating a positive climate for learning and ensuring that quality first teaching is at the heart of what we do with the children. Putting the emphasis on the adults who see the children day to day.

	<i>Desired outcomes and how they will be measured</i>	<i>Success criteria</i>
A.	To accelerate the progress of PP children (at least 6 steps on Target Tracker) in reading across all year groups to close the attainment gap with their non-PP peers. (see Data Review 2019)	All PP children make at least 6 steps progress on Target Tracker for reading. Data outcomes show that PP children in all year groups attain in line with their peers and that they meet, or exceed, their prior attainment targets. (See Data Review 2019)
B.	To accelerate the progress of PP children (at least 6 steps on Target Tracker) in writing across all year groups to close the attainment gap with their non-PP peers.	All PP children make at least 6 steps progress on Target Tracker for writing. Data outcomes show that PP children in all year groups attain in line with their peers and that they meet, or exceed, their prior attainment targets. (See Data Review 2019)

C.	To accelerate the progress of PP children (at least 6 steps on Target Tracker) in maths across all year groups to close the attainment gap with their non-PP peers.	All PP children make at least 6 steps progress on Target Tracker for maths. Data outcomes show that PP children in all year groups attain in line with their peers and that they meet, or exceed, their prior attainment targets. (See Data Review 2019)
D.	To ensure vulnerable children receive targeted pastoral support in order to develop positive learning behaviours that will impact on progress, attainment and personal well-being.	PP children are engaged in their learning and demonstrating positive learning behaviours as seen in ACE 360 including lesson observations, book scrutiny, pupil voice, home/school discussions and staff feedback. PP children engaged in a range of extra-curricular activities. School, home and any outside agencies working cooperatively to support individual children.
E.	Improve the attendance on PP children to 95.8%	Reduce the number of persistent absentees among pupils eligible for PP. EWO involvement will not be needed. Attendance for the children is in line with national and school at 96%.

5. Planned expenditure

The headings below enable schools to demonstrate how they are using the pupil premium to improve classroom pedagogy, provide targeted support and support whole school strategies.
