---

## **Our equality objectives are:**

- To promote spiritual, moral, social and cultural development through all appropriate curricular and extra-curricular opportunities . We aim to meet this objective with particular reference to issues of equality and diversity.
- To reduce prejudice and increase understanding of equality through direct teaching across the curriculum.
- To move beyond deterministic notions of fixed ability and to model teaching and learning behaviours that avoid labelling.
- To narrow the gap between boys' and girls' attainment in writing in the primary phase (Y2 – Y6).
- To promote cultural development and understanding through a rich range of experience, both in and beyond the school.
- To eradicate prejudice related bullying in relation to the protected characteristics listed in the Equality Act 2010.
- To tackle prejudice and promote understanding in relation to people with disabilities.
- To increase the level of pupil voice by extending our various School Councils to include a fair representation of all pupils in school, and in this way to foster good relationships in the school between those who have protected characteristics and those who do not.
